The Board met at 9:30 a. m., Feb. 9, 1926 with Supervisors Williams, Ford and Howe present, absent Fairbanks and Perkins.

Notice to bidders for construction of Vichy Springs east side road was declared to have been duly published as required by law in the Dispatch-Democrat and an order to that effect was entered in the minutes.

Bids for construction of Vichy Springs east side road were ordered opened and the bid of J. W. Pickle and M. A. Christy being the only bid received, it was opened and read to the Board as follows: Excavation including clearing @ 80c per cu. yd., overhaul over 300 ft. @ 2c per cu. yd. per 100 ft., installing 100 lin. ft. each, of 10" and 12" corrugated iron pipe @ 40c per lin. ft., 100 lin. ft. 18" corrugated iron pipe installed @ 75c per lin. ft., Mendocino county to furnish all pipe F. O. B. Ukiah, Calif., 20,000 ft. redwood lumber for culverts, cattle passes and bridges in place @ $67.50 per M. Total amount of bid $3,905.20. Additional help was ordered employed for the county auditor's office for a period of three months, from February 18, 1926.

The reports of the steward of the Mendocino county farm and hospital, the county nurse and county horticultural commissioner for the month of January, 1926 and of the U. S. biological survey of predatory animal control for a period from July 1 to Dec. 31, 1925 were accepted and filed.

J. C. JOHNSON AGAIN HEADS FARMERS' CLUB

J. C. Johnson was reelected president of the board of directors of Ukiah Farmers' Club at the annual meeting held last Saturday afternoon in Odd Fellows' hall. Other members of the board are: H. H. Van Nader, Henry York, L. E. Crawford, E. L. Cunningham, Frank Cunningham, Everett Holliday, J. J. Thornton, L. Hoag.

Nearly one hundred and fifty people attended the annual banquet which preceded the annual meeting of the stockholders. The banquet was held at noon, in Odd Fellows' hall and proved the most successful given by the Farmers' Club. J. C. Johnson, president of the company, presided at the banquet and spoke informally in greeting. The guests included stockholders and employees with their families. An informal program was rendered following the luncheon hour. E. H. Shimmin spoke briefly. There was a piano duet by Louis and William Johnson; musical numbers were rendered by E. H. Shimmin and his daughter, Miss Ileta Shimmin; a vocal solo was contributed by Mrs. Wilhide; and a piano solo by Miss Ileta Shimmin. Mrs. E. W. Stephens sang, accompanied by Mr. Stephens. The tables were beautifully decorated with spring flowers and there was a bouquet of blossoms at each place.

ATWATER KENT WILL PRESENT IRISH TENOR

Another superprogram is to go on the air from KPO San Francisco on Sunday evening, February 14, when Allan McQuhae, celebrated and youthful Irish tenor, appears after several years of eastern and European successes.

McQuhae is one of the great artists engaged for radio work by Atwater Kent, according to Geo. D. Merk, who represents Atwater Kent locally. He follows Toscha Seidel, master of the violin, and is a singer whose voice and style much resembles that of John McCormick. In fact he and John McCormick are quite generally considered as the two great lyric tenors of the age.

McQuhae sings with a sincerity of feeling and understanding that is amazing. His voice is exquisite, possesses a lyric quality of great beauty and he sings with an ease of manner that is charming beyond description. Whether it is an Irish lover singing to his sweetheart or the ghost of a poor girl crying "Shell Fish" about the streets of Dublin, or an Irish bard or fiddler "blarneying" about the effects of his music the singer's heart is in everything that he sings.

McQuhae will no doubt be as widely heard, or even more so, than was Toscha Seidel who appeared on the program on December 6th over the same station and local fans who heard Seidel will no doubt tune in again on the Sunday evening program of February 14.

SUFFERING FROM ABSCESS

Alma Hollingsworth, daughter of Mr. and Mrs. Oscar Hollingsworth, of this city, was taken to San Francisco by her mother last week to receive medical attention on account of what was thought to be a recurrence of mastoid trouble, for which ailment she underwent an operation last year. The San Francisco specialist has diagnosed the trouble as an abscess of the inner ear, however, and will have to scrape the bone after the trouble is over to remove infected portions of the bone. The young lady is doing as well as could be expected.

MARRIAGE LICENSES

Marriage licenses were issued to the following couples the past week: Frank Hapgood, 36, and Harriet Duke, 32, both of Yreka; James G. Nelson, 31, and Cora Belle Gillespie, 40, both of Ukiah; Samuel A. McClellan, 21, and Erma May Gillespie, 22, both of Ukiah; Clyde Orne Balaam, 27, and Dorothy Ross, 24, both of Elk; Edmund Juley, 21, of Santa Rosa, and Mrytle Wright, 22, of Ukiah.

FARM BUREAU DIRECTORS HOLD MONTHLY SESSION

(By C. A. BERNHARD, County Secretary.)

The monthly meeting of the farm bureau board of directors was called to order at 10:15 Monday morning by President Hooper. A good attendance of directors were present. Reports were made by the following directors: C. Swanfelt, Hopland center; Roy Zane, Anderson Valley center; C. R. Yarbough, Redwood Valley center; George T. Clow, Willits center; R. R. Ingels, Potter Valley center; P. E. McKinney, Ukiah center; J. B. Bellatti, Round Valley center; Fred Redemeyer, Long Valley center; Not represented, Fort Bragg and Point Arena.

The junior farm centers were represented by Mr. Christy of the Willits high school and Mr. Ted Richey of the Ukiah high school.

This being the beginning of the year, the reports from all centers were very much alike, membership drives and the adoption of programs of work for the year making up the bulk of the work.

Membership Drive Planned

An effort is being made to increase the membership of the entire county. While reports are not yet completed the indications are that there will be at least 100 members increase and it is hoped that the number will be greater.

An item of interest to Ukiah is that the center north of Ukiah which has been meeting at Central school under the name of Central center has decided to change the name to Ukiah center and make a drive for membership in the whole of the Ukiah valley as there are no centers south of Ukiah until we reach the Hopland territory. Already quite a number of valley farmers have joined the old center under the new name. It is the intent of the committee to canvass every farmer in the valley and surrounding territory.

Assistant Farm Advisor Foot reported for Ft. Bragg and Pt. Arena. At Fort Bragg they have changed their meeting time to evening instead of afternoon. Considerable increased activity in poultry culture is manifest and there should be a decided gain this year.

Mr. Bellatti stated that Round valley had held the largest attended meeting they had ever held but the interest was on account of excitement over their creamery. It seems that the Western Refrigerator company are entering the field and trying to divide the patronage. The present creamery is owned by the California Central Creameries and has been one of the prime factors in building up the dairy industry in the valley. This company seems to have given quite general satisfaction and fair treatment. Many farmers think the patronage should not be divided because to do so will make it difficult for the local creamery to maintain the present high standard of service.

Directors at large who were preesent were J. C. Johnson and Alex R. Thomas of Ukiah, L. E. Crawford of Hopland, J. Lee Smith of Redwood valley and I. C. Burke of Anderson valley. Alternate Direectors present were Vernon Rawles of Anderson valley and H. Pfahlery of Willits.

Program for 1926

The committee on program of work for 1926 reported the following schedule:

Group I—Roads.

Group II—Marketing, Utilities, Legislation, Taxation.

Group III—Organization, (a)

AMONG THE CASABA-TOSSERS

(By CLAIR ELLEDGE)

The Kelseyville Bears just simply raised the devil Wednesday night by upsetting everything—the dope, the league standing, and, particularly, Coach Sandrock's Wildcats. Here were the Wildcats, sitting hunky-dory, with six consecutive wins behind them and a better than even chance of defeating the coast champions for the section championship before them. Then along come the Lake county champions, who had fallen before the Wildcats earlier in the season but who, since that 27 to 3 bumping, had improved approximately 936½ per cent. and mess up everything by handing the local prides a 22 to 20 package. As a result of this tragedy, Willits, Ukiah, and Kelseyville are knotted to a triple tie for section honors and a winner must be decided this week to meet the coast champions early next week. So, tonight, Ukiah will take on Willits at the local gym, and the winner will meet Kelseyville on Saturday afternoon. May the best team win, be it Wolf, Bear, or Wildcat!

Wednesday's argument was by far the best casaba-flinging exhibition seen on the local court this season. It was a fast, close, hard-fought but cleanly played affair, featured by continuous play, accurate passing, and air-tight defense. The Wildcats were not playing up to standard in the first half and Kelseyville had the best of every department of the game. Ukiah could not break through the strong Bear defense, while the visitors found no trouble drawing out the local's defense to get easy shots under the hoop. They covered the Wildcats' best bet, Doak, like a blanket, and, centering their offense around Crowell, captain and center, they led at quarter time 8 to 4, and at half time 14 to 6. Crowell scored 10 of his team's points during these two periods. In the third quarter the Wildcats started converting some of their long throws and their defense settled down. At the end of that period, Kelseyville's lead was cut to two points, the score reading 16 to 14. The last period was a rip-snorter. The local boys were outpassing their opponents and soon forged ahead of the Bears by one point. Kelseyville came back strong, however, tied it up at 20-all, and Tallman shot the

TWO ADMITTED TO PAROLE

Sam Ray and Mrs. Bessie Allen Mack were admitted to parole the latter part of last week, the order being signed by T. M. Cleland and District Attorney Hurley. Sheriff Byrnes was out of town at the time, but, we understand, was not in favor of the action.

Mrs. Mack will be taken care of by her parents. She is the woman who, with her husband, deserted their baby here several months ago, leaving the infant in an automobile in front of a Ukiah residence.

C. M. MANNON RETURNS

C. M. Mannon returned to his home in this city Thursday night. Mr. Mannon has been in San Francisco for weeks. He is recovering his strength following an operation.

CASE SUBMITTED

The case of the Redwood Investment Co. vs. Daugherty et al was tried in the superior court Wednesday. The testimony was taken and the case submitted.

Atty. George Redwine is representing the Redwood company.

The case involves the title to lands purchased some ten years ago by the company in the Anderson valley section.

BURGLARY TRIAL YESTERDAY

The case of the People vs. Murray, a burglary charge growing out of the alleged theft of some potatoes from a barn near Fort Bragg, was being tried in the superior court yesterday.

Attorney Henry Spurr is representing the interests of the defendant.

DEPUTY "JUMPED" BY WILLITS BOOTLEGGER

Deputy Sheriffs Weger and Weselsky and three federal enforcement officers raided the Quarteroni hotel at Willits last Friday, taking the proprietor into custody and confiscating a quantity of booze they found on the premises. Incidentally Weselsky had quite a scrap with Quarteroni. He had a jug of wine in his hand and was standing in the kitchen, alone with Quarteroni, who was engaged in culinary duties while the officers were searching the premises. Suddenly, without warning Quarteroni jumped on Weselsky and began to strike him with his fists. Weselsky did not want to drop the jug for fear of breaking it and losing the evidence, so was forced to fight Quarteroni with only one hand. He was getting the worst of the encounter, when he managed to land a lucky punch which jarred Quarteroni loose from him. The Italian then siezed a butcher knife which was lying on the table, but dropped it again as the deputy pulled his gun. One of the federal men appeared on the scene about that time and handcuffed the irate Italian.

Quarteroni was brought here and taken before Judge Busch, where he was charged with resisting an officer.

The charge of selling booze will be tried in the federal courts. We understand Quarteroni has been in trouble on two previous occasions for infringement of the law.

ROTARIANS HAVE SPORT WITH ARREST AND TRIAL

A warrant was issued against W. J. Roberts, manager of the State theater, on the charge of disturbing the peace. Roberts was taken into custody by Al McCabe of the sheriff's office, while the former was attending Rotary club luncheon last Tuesday.

Realizing that the sheriff's office was breaking a time honored record of "No Arrests Made", the president of the rotary club plead with the deputy to withhold the warrant and promised to try the prisoner on the spot.

Luther C. Beasley, due to suspected familiarity with the story of the Good Samaritan, was chosen attorney for defense, and Hale McCowen, Jr., due to suspected ability along that line, was named prosecuting attorney. M. H. Iversen wore the judge's gown.

The specific charge against Mr. Roberts was bringing the bathing girls to Ukiah. Witneses called, all of whom showed familiarity with the details of the case, were Frank Reynolds, Guy Redwine, J. H. Kirkpatrick, Dr. Donald R. Smith, Louis Hofman, Harry Cameron, Dr. L. K. Van Allen. The judge gave the decision to the defense.

The case is supposed to have some political bearing but just what is not clear. It will probably result in six more candidates being announced next week for the office of sheriff of Mendocino county.

SPORTSMEN ORGANIZE CLUB

Mendocino county sportsmen's club was formally organized Tuesday evening with Dr. Donald R. Smith as president. Floyd Banker as vice-president and J. R. Thomas, secretary and treasurer. Nearly half a hundred men interested in the object for which this organization is formed attended the meeting. Committees were appointed on by-laws, etc. Branch organizations will be formed in the county with Ukiah's club as the center.

PRESBYTERIAN LADIES TO CONDUCT SERVICES

The ladies' society of the Presbyterian church will have charge of the services Sunday morning. "The Social Science and the Religious Life" is the subject of a sermon to be read by Mrs. A. L. Gibson. The sermon was written by Prof. Peabody of Harvard. Mrs. Lucy Seawell will preside and Mrs. P. W. Handy will direct the music. Mrs. E. W. Stephens' beautiful voice will be heard in the musical program.

JOHN LINN DIES

John Linn, a well known resident of the Orrs Springs section for many years, and lately living on a small ranch south of Ukiah, passed away at Sebastopol last Sunday.

The remains were brought to this city for interment, and the funeral was held last Wednesday afternoon.

The deceased was highly thought of by all who knew him and there were many expressions of regret when the news came of his death. He was of quiet and unassuming demeanor, a hard worker all his life and an honest and upright citizen.

He leaves six sons, as follows: James, Robert, Al, Dave, Jack and Tom.

He was a native of Scotland and was 72 years of age the tenth of January last. He had resided in this county since 1889.

The Rambler

Last year 13,000 new statutes were enacted by the several states. I recommend that when candidates for the legislature come to you this year and talk about the laws needed for our State, it would only be an act of self-defense to decide to vote for the candidates who propose to repeal some existing laws. We have so many laws that it is not all surprising that we are the most lawless people on the globe.

The proportion of direct taxpayers to those whose names do not appear on the tax roll is very small. That is one explanation of high taxes. The world is full of people who enjoy spending the other fellow's money.

* * * * *

Mrs. Raker says that she will not be a candidate for the seat made vacant in Congress through the death of her husband. That's fine: It was beginning to appear that every time a Congressman died the voters of his district were expected to elect his widow, irrespective of her qualifications. The height of absurdity was reached when Congressman Langley, of Kentucky, asked his constituents to send his wife to Congress while he was spending a couple of years in Atlanta penitentiary.

* * * * *

I was looking at the new Boring building the other day. It is a good looking structure and a decided addition to South State street. Ukiah is making a normal, healthy growth, without any boom, or hammering of tom-toms.

* * * * *

Last Friday I saw a large panther that had been killed out on the Mann ranch by Mrs. Day. It was a beautiful cat, but much better to the world lying in the tonneau of an automobile than roaming the ranges, a menace to deer and sheep. Some things simply do not get on with civilization. The day will come when predatory animals will be gone, though it may be a few hundred years. They are rapidly disappearing from the United States, since civilization must destroy what it cannot assimilate. There were no tears shed over the destruction of this panther.

* * * * *

I was talking with a woman last Sunday about the discipline of children and she stated that it must begin with the disciplining of the parents. No one could take great exception of that remark. Think it over and some day we will talk about it again.

* * * * *

How broad are your interests? Of course, you are interested in your home, your family, in obtaining the necessities of life and some of the luxuries for yourself and those dependent upon you, and you are interested in your friends, in your pleasures and recreation. But how far beyond do your interests go? Are you interested in the sanitary conditions about you, the schools where your children and those of your neighbors are educated, in the young people who all too soon will be guiding the destinies of the nation? Are you interested in the churches, or at least, some particular church? Do you belong to the chamber of commerce, believing that in union there is strength? Or are you like the unfortunate spoken of by Kipling who was not bad enough to get into hell and not good enough to get into heaven, and who was suspended between heaven and hell through all eternity?

* * * * *

When the grown-ups speak of "the good old days," just ask if they would prefer them back again—the candle light to read by, the well with water to carry in a bucket, and the Saturday night bath in the family wash tub and a thousand other inconveniences. I am afraid that if our elders had to travel back to the olden days, when they arrived they would soon regret that they had not bought a return trip ticket.

* * * * *

I have read that the oldest writing in existence, a dissertation written in Egypt on papyrus several hundred centuries ago, tells how the world is on the road to ruin because of woman's dress. It seems that the way women dress has always been driving the world to ruin in the minds of some people. When such a prophecy has not come true in 5,000 years, are we not justified in turning to other prophets?

The next time you go by the Standard Oil station on South State street, it will pay you to stop long enough to look at the shrubs. They were only planted a few years ago and how beautiful they are already! If the great corporations are really "soulless," who in authority ordered these shrubs planted? The Associated, across the street, has a wonderful wild grape-vine and the boys care for it as if it were an orchid. I am told they are going to plant flowers along the south Boring wall. There is also a beautiful plot by the south wall of the telephone building. Surely, these giant corporations cannot be entirely without souls!

Cardinal Mercier, the hero priest of Belgium, is gone. He was one of the outstanding figures of the war. His pastoral letter of December, 1914, startled the German hordes then overrunning his country. In it occurred these words, "The authority of that power is no lawful authority. Therefore, in soul and conscience you owe it neither respect, nor attachments nor obedience." When the great Cardinal visited this country in 1919, he was met at the dock by General Pershing, who welcomed him in the name of the American government.

There is a committee working on the improvement of our cemeteries. C. H. Duncan, of the First National bank, is chairman. The committee sent out an appeal for funds and a large number of out-of-town people responded. A larger number of in-town people did not. I recommend a deposit of $10.00 with Mr. Duncan. Let's all help to make God's acre a beautiful spot.

I wonder if one of those one-man tractor-scraper affairs we see on the state highways would not be a good machine for the town to own? One man can cover a great distance in a day, leveling the bumps and filling up the holes. With motor travel it would seem that the old methods of caring for the streets must give way and it is possible that this new machine will be both effective and economical.

There was a drop in the murder rate of California of eight percent in 1924—the only state in the union to show a decline. Capt. Duncan Matheson, of San Francisco, gives several reasons for this improvement, among them being:

Juries are beginning to convict for murder.

The governor will not communte sentences.

There are now 7,421 in the San Quentin and Folsom prisons. And the strange thing about these institutions is that the convict population must increase before it can decrease. If the prospect of punishment were swift and sure, crime would lessen within a very short time. Dealing with crime is a grim business in which sentiment should have a place, but a very small place.

The Lake county farm bureau laid out a program of activities for 1926, and I commend it to the attention of our organization. Among other things they plan the following: Good roads, permanent project; promote boys' and girls' agricultural club work; tax research in county; cost accounting in schools. Wouldn't the last item be a worthwhile project in Mendocino county? We hear much talk today about increased taxes because of the schools. Let's get the facts. We should not let up on education, but at the same time it might be possible to maintain efficiency with less expense.

REDWOOD VALLEY

REDWOOD VALLEY, Feb. 10.—Ye Scribe has not been able to attend to his duties for the past two weeks as old man "flu" has had him down and out.

Mrs. H. R. Bohna left last week for Oakland, where she has accepted a position in the high schools. Mr. Bohna is disposing of his personal property here and expects in a few days, with Mr. Said and the children, to join Mrs. Bohna in Oakland. We regret very much to see these good people leave us. We feel that we can hardly spare them. Mr. Said has been the superintendent of the Sunday school since its organization, and leaves a gap that is hard to fill. The family has been active in the farm bureau, the grange and the P. T. A. They will be sadly missed. Our best wishes go with them to their new home. May they prosper exceedingly.

Mr. and Mrs. E. B. Watson returned last week from a visit lasting several weeks in Berkeley. Unfortunately Mrs. Watson contracted the flu during the latter part of their visit. She had sufficiently recovered to come home last week but she suffered a relapse as a result of the trip home and is confined to her home at the present time.

Miss Olga Gunderson is home from San Jose. She expects to remain home several weeks and recuperate her strength which she has never fully recovered since her sick spell some months ago.

Mrs. J. M. Woolley is able to be around again after a stubborn battle with the flu. She was confined to her home for several weeks.

The P. T. A. is planning to present two short plays in the near future. The cast is hard at work on the plays.

A baby girl was born to Mrs. Leona Hansen (nee Johnson) last Sunday.

The farm bureau held its regular monthly meeting Tuesday night.

HUSBAND HELD IN EUREKA AS KILLER OF WIFE

EUREKA, Feb. 6.—E. L. Roberts and J. H. Elliott were held to answer last night by the coroner's jury for the murder of Robert's wife, Mrs. Dorothy Marie Roberts of Burlington, 50 miles south of here. Death was caused by blows on the head, the jury decided. The coroner's jury, which investigated the death last Saturday night, returned a verdict to the effect that the woman had committed suicide by drinking poison, but this verdict was declared void and the murder verdict returned.

Mrs. Roberts, the mother of four children, and her husband had often quarreled, it was brought out at the investigation, and that several times Roberts had struck his wife. Elliott is said to have been with Roberts when the death of Mrs. Roberts occurred.

The first jury empaneled, after listening to the testimony of E. L. Roberts and Elliott, returned a verdict of suicide. Suspicion of the coroner, Oscar Swanson, caused further investigation and finally a post mortem examination was made by Dr. Carl Wallace and it was discovered that there were four distinct wounds on the woman's head. They had been made shortly before the death of Mrs. Roberts so that the wounds had not time to swell before death occurred.

Mrs. Roberts' mother, Mrs. Mary Howell, testified that the Roberts had often quarreled and she had once heard her daughter scream when struck by Roberts while they were living in Ukiah. They quarreled over the money Mrs. Roberts earned picking hops, which Roberts wanted to spend, the mother said.

BORING-ROBIE NUPTIALS TO BE HELD NEXT SUNDAY

The wedding of Miss Laura Louise Boring, eldest daughter of Mr. and Mrs. P. J. Boring, and Clifford Henry Robie, Jr., son of Mr. and Mrs. Clifford Henry Robie, of Oakland, will be solemnized Sunday afternoon, February 14th, at one o'clock, at the home of the bride's parents in this city. Rev. L. C. Beasley, pastor of the Methodist church, will perform the ceremony in the presence of about twenty-five guests, intimate friends of the bride and groom.

The bride will be attended by her sister, Miss Frances Boring, and the groom's brother, Bernard Robie of Oakland, will be groomsman. The bridal gown is of pale pink satin crepe elaborately trimmed in irridescent embroidered net. The bridal bouquet is coming from the sunny south and will be formed of orange blossoms by one of the leading florists of Los Angeles city. The bridesmaid, Miss Frances Boring will be gowned in taffeta, shading from pink to delicate orange. She will carry a shower bouquet of pink carnations.

The charming home of the Borings on State street is being transformed into a wedding bower. Pink carnations with a wealth of greens and fernery from the woods of Mendocino county will be used in decorating the living room where the marriage ceremony will be performed. Miss Myrtle Martin will render the wedding march and will continue the strains of soft music thru the ceremony.

Following the ceremony the wedding breakfast will be enjoyed in the spacious ballroom of the home. Over the center of the table where the guests will be seated a large wedding bell has been formed of delicate pink blossoms and ferns. From the wedding bell to the cathedral candles at the four corners of the table are looped wide satin ribbons of exquisite pink. Flowers of this tone have been used with greens in decorating the ballroom. Throughout the home the floor lamps diffuse their light thru shades of pink. Mrs. Boring and her daughters are very clever in the art of decorating and the home is being most beautifully arranged for Miss Laura's wedding.

The bride and groom will leave on the south bound train Sunday afternoon with Oakland as their destination. Friends in the bay region have arranged a wedding reception for the young people. The honeymoon will be spent in the southern part of the state.

St. Valentine Day's bride is one of the most charming young women of this community. She is a beautiful girl, talented in music and gifted in many ways. Since her graduation days she has made her home in Oakland. She has many friends here and in the cities around the bay. The Boring family is one of the best known in this community, taking an active part in musical, social and business activities. Mr. Robie holds a responsible position with a well known wholesale firm in Oakland, in which city he has prepared a home for his bride.

Among the out-of-town guests at the wedding will be Mr. and Mrs. Clifford Henry Robie, parents of the groom, and relatives of the Boring family from San Jose and San Francisco.

Telephone Question in Anderson

Director I. C. Burke reported on the telephone question in Anderson valley, stating that at their last meeting a Mr. Blakesley, representing the railroad commission had met with them and taken all available information on the subject and given them certain information of value. The decision on the question involved has not yet been received from the commission.

Luncheon Enjoyed

At the January meeting it was decided that the directors should have luncheon together at the expense of the county farm bureau treasury each month. It was also thought advisable to invite other farmers and friends to lunch with them, but at their own expense. A very excellent luncheon was arranged and 26 persons took lunch together, seven or eight of them being visitors. Supervisor Howe represented Point Arena at the luncheon. The plan is already pronounced a success and it is thought that in the future some other features will be added and it will give the opportunity for business men and others to bring before the farmers' representatives matters of interest to the whole county in a pleasant and informal way.

Afternoon Session

The afternoon session was taken up mostly with discussion. Among the items receiving considerable attention was the matter of agriculture in the high schools of the county. The only action taken was to decide to refer the whole question to the farm centers in the various school districts interested.

Dog Question

The question of depredations of wandering dogs was up for consideration. Every one seemed to be of the opinion that dogs should be taxed. Some thought there was a dog tax law in force now but that the tax was not collected. Others thought there was no such law but should be. It was decided to refer the question to the legislative committee for a report at our next meeting.

Annual Picnic

The program committee recommended a farm bureau picnic this year. It was decided to ask Round valley to put on the picnic and the exact date was left to them. Their director thought it would be about the 17th of July. It is aimed to make this the greatest farm bureau picnic ever held in the county. Round valley can do it.

The secretary presented a resolution which had been passed on from Yuba county in regard to parole of prisoners. In it the prison authorities and the governor are requested to be more careful about parole. This resolution was unanimously pased.

San Benito passed us a resolution asking cooperation in securing a compulsory law in regard to the eradication of rodents. This matter was also referred to the legislative committee for report.

The meeting adjourned about 4:45 P. M. after a busy day, devoted mostly to talk. This talk however at times is very necessary to clear the atmosphere and make it possible to get down to concrete action.

Farm Advisor Myszka presented his written annual report. It contains 102 pages of carefully typewritten work and it is the best he has ever prepared both in subject matter and "get up." Mrs. Kirkpatrick, his stenographer should be congratulated on such an excellent piece of work. She can justly be proud of it. We will try at another time to review some of the subject matter for the readers of this paper.

PARADE OF NEW TRUCKS

The Cox-Vevoda Motor Sales Co., local agents for the Chevrolet, held a parade yesterday afternoon which attracted considerable comment. In the lineup were eight Chevrolet trucks with dump bodies, which the Cox-Vevoda company has sold to the state highway commission for use on the Redwood highway

When you use Associated you get an ideal combination of these three results: [1] satisfactory quick-starting, [2] a full stride of power, [3] mileage. Associated Gasoline is always associated with "more miles to the gallon."

Verily, verily, hath troublesome times descended upon Lake county—land of cool waters and hot air—region of once powerful and puissant aggregrations of casaba-tossers. Threadbare and catawampus is the tepee of the Upper Lake Indian and mournfully do the waters of Clear Lake lap against the murky retreat of the Lakeport Catfish—for heavily hath fallen the vengeance of the Ukiah Wildcat upon the hapless denizens of the tule country. Yea, brother, greviously hath the wily catfish and the noble redman suffered at the hands of Sandrock's Terrors. Friends and relatives may now pass by to view the remains.

Yes, folks, incredible as it may seem, the Wildcats have been on another rampage. The hectic, hit-or-miss basketball season in which the local high school has indulged for the last couple of months rose up from its sick bed last Friday evening and gave one more of those spasmodic gasps that make nervous wrecks of enterprising young undertakers. After scheduling games with Willits, Fort Bragg, and Kelseyville, calling 'em all off, and repeating this "off-again, on-again" process some three or seven times, the powers that be—up on High School Hill—finally hit upon the bright and original idea of picking on the Upper Lake and Lakeport quintets again. Each of these fives had previously absorbed a healthy pasting from the Wildcats, and, in so doing, they left the impression that they don't know what it's all about. But, after all, the "Games Won" column is what interests most of us so, while Coach Sandrock's Wildcats journeyed to Lakeport to maul the helpless Catfish by a 41 to 16 score, his 130-pound Bearcats and his lowly Scrubcats remained at home to pounce upon the hapless Upper Lake first and second teams respectively. I didn't see the Lakeport game but it must have been a massacre. In these days of strong defensive play, no team has a license to drop a game to the tune of 41 to 16. There's something woefully lacking in the Lakeport bunch. Arthur Doak, star Wildcat forward, was Ukiah's main scoring machine. He shot baskets at will and from all angles.

The Upper Lake five, which took a 41 to 12 walloping from the Wildcats on January 8, hasn't improved a doggone bit. If possible, it has deteriorated. The Ukiah lightweights ran circles around them Friday night and hung up a 24 to 7 win over the Indians. Scholl accounted for six field goals during the melee and was high point man. Lilburn Vassar's brilliant floor work was up to its usual standard and his shooting added two field baskets. Anker contributed three nice baskets in the half he played and Cox added another after replacing him. Gibson's work at standing guard was very effective. C. Vassar had an off night and failed to score but his footwork caused lots of trouble in the enemy's camp. Upper Lake rang up but three goals from the field. The scores at the ends of the periods were: First quarter, 6 to 0; second, 16 to 2; third, 20 to 5; fourth, 24 to 7.

The Upper Lake second team was equally as innocent of casaba-tossing skill as the first squad and dropped their tilt with the Scrubcats by a 26 to 8 count.

The best game of the evening was put on by the girls of the junior and senior classes of the local school. It's a darn shame that the ability of the Bearcats must be wasted among themselves when a little effort on someone's part could line up some real games with sextettes from other schools. Since the boys' team have been picking set-ups and easy marks from Lake county, the only interesting tilts we've seen have been the girls' interclass contests. The Bearcats want to play, we all want to see 'em play, and there's no earthly reason why they shouldn't play, so let's see some outside games arranged for them.

The junior girls won Friday night's affair by a score of 11 to 8. The two teams were evenly matched but the juniors piled up a safe lead before the seniors really got under way. Theresa Balzarini led the scoring by chalking up all of the juniors' points. She missed but one shot during the game. However, the brunt of the forward play fell to Odell Freeman, whose accurate passing and general fast work, made four of her partner's five baskets possible. The star of the evening was Virginia Herron, senior guard. Her forward never gets a shot facing the basket and she can cover every foot of a 40-acre lot in something less than nothing flat. Norma York led the senior scoring, with 6 points to her credit, but Lois Lawrence was the bulwark of the senior forward offense. The close guarding of Anna Miller prevented the latter from scoring any oftener. Honors in the center section were evenly distributed. Martha Mannon and Margaret Allen upheld the junior reputation very efficiently while Vivian Giles and Mary Hengeveldt handled a mean casaba for the seniors. The scores at period endings were: First, 2 to 2; second, 6 to 2; third, 11 to 2; fourth, 11 to 8.

The Hopland and Willits unlimited basket ball teams played a game last week on the Ukiah court. The game was well played and the score was close. At the end of the game the score keepers had their scores marked 19 to 18 in favor of Hopland. The blackboard showed the score 18 to 17 in favor of Willits. The referee ruled that the 18 to 17 score was correct as one of the Hopland goals was thrown after the whistle had blown.

The Hopland boys being used to a small court were well winded at the end of the first half and had made but three points while Willits had scored 16. In the second half Willits made but one goal while Hopland made the remaining 14 points. Howell, Hopland's center was easily able to control the tip off at center and Metzler usually gave the ball the final toss to the goal.

PRINT THE NEWS AND TELL THE TRUTH
By J. B. SANFORD

SAN FRANCISCO, Cal., Feb. 11.—There was a flurry in the political camps last Saturday. A number of prominent democrats met at the Palace Hotel and discussed plans for the campaign. The idea was to secure able men to make a contest for the various offices, especially for congress, as the leaders of the party thought that to be essential in order to make a good showing in the presidential election in 1928.

* * * * *

There was a concerted effort to induce former Senator James D. Phelan to make the fight for United States senator this fall. The senator did not take to the idea last summer when that matter was suggested to him. He seemed to prefer that some one else should devote time to it as he has large business interests to attend to and does not care for the worries of political office. He would prefer to devote his leisure time to travel.

In the event that Phelan should turn the proffer down, then an effort will be made to get McAdoo into the race. If McAdoo should decide to run for the presidential nomination in 1928, he would refuse to run for the senate, as a defeat would lessen his chances in the democratic national convention. So the matter remains as it was before—up in the air.

* * * * *

The country editors of northern and central California met at the Union League Club the same afterioon to make an effort to induce Governor Richardson to stand for reelection, as the governor had not as yet come to any definite conclusion regarding the matter. Representatives from many country papers were present and those who were unable to attend sent letters giving the situation in their various communities.

* * * * *

About a month ago, the country editors of southern California met to exchange views and urge Governor Richardson to make the race for reelection. The concensus of opinion expressed was that the governor was much stronger now than he was when he ran four years ago. Every paper that supported the governor in the 1922 campaign is supporting him now except one paper. That paper tried to control the governor's action relative to a certain appointment, but failed—and is now against the governor. Several strong papers that were not for the governor in 1922 are for him now because he has made good on every pre-election pledge. So the opinion expressed last Saturday was to the effect that the governor had gained strength during his incumbency, especially in the agricultural districts.

In some of the large cities, the governor may have lost some strength on account of the fact that he would not "take program" and turn all his patronage over to the machine "bosses." He preferred to make his own appointments and *be his own boss*. He did not believe that politics and business could be mixed without a loss in efficiency and economy. So he turned down the politicians and went out to the business men and requested that they "dig up" capable men for official appointment.

* * * * *

He certainly has given the state a good business administration. He believes that the taxpayers who pay the bills should have some say as to how the money should be spent. Richardson has yielded to the taxpayers and business men. There is not much pleasure or peace of mind in being governor. Friend Richardson has not yet decided in his own mind what he will do. He will probably listen to the taxpayers and business men, in whose behalf he has fought so valiantly. With that view in mind, a great many taxpayers and business men throughout the state are *writing the governor* urging him to complete the job assigned to him at the election four years ago.

* * * * *

If the taxpayers want him to run again so that he can complete the job, they should let him know by writing him at once and urge him to again make the race. Therefore the taxpayers should help uphold the governor's arms and *write* to him before he makes a decision. He will listen to them, but professional politicians and yellow journalists are banned. Richardson is the only governor the state ever had that has stood for the taxpayers. Now, then, those that he has made the fight for should let him know how they feel about it. Write him a letter or send him a telegram.

"THE SPLENDID ROAD" PAYS GLOWING TRIBUTE TO WOMEN PIONEERS

Set in California during the hectic gold rush days of '49, "The Splendid Road," which closes tonight at the State theatre, is one of the neatest blendings of romance, beauty and suspense that have ever graced our local screen.

Anna Q. Nilsson, Lionel Barrymore and Robert Frazer—splendid players all!—vied with each other in giving their interpretations. In the end it was impossible to decide which of them gave the best performance!

BRIGHT LIGHTS" IS A CHARMING FILM

It is so seldom that a picture possesses that indefinable something called "charm" that it is a genuine delight to recommend the picture playing Saturday at the State theatre. It is not a spectacle in any sense, though possessing many beautiful sets and some gems of photographic art.

"Bright Lights" is the name of the picture, and it brings Charles Ray and Pauline Starke co-starring as Tom Corbin and Pansi Delaney.

Other mempers of the cast are Lilyan Tashman, Lawford Davidson, Ned Sparks and Eugenie Besserer.

"LAZYBONES" TRUE TO SMALL TOWN

The film version of "Lazybones," Owen Davis' Broadway success, starring Charles (Buck) Jones, will open at the State theatre Sunday.

This story of simple American people is told in a direct and wholly unpretentious manner, the characters are portrayed by an all-star cast ideally suited to their parts, and the action is filmed in a typical small town.

Announcement

I wish to announce that I have been admitted to parole and am resolved to do the right thing henceforth. Those to whom I owe money will be paid every cent as soon as I can get my business under way again.

I do not intend to see anyone lose anything through me and I hope to show the friends who stuck by me that I am worthy of their aid and confidence. SAM RAY

BARD SAID A MOUTHFUL

"One man in a time plays many parts."

William Shakespeare's famous words could easily be applied to Willard Louis, the jovial comedian and Warner Bros. star, whose remarkable acting in such dissimilar roles as "Beau Brummel" and "Babbitt" received such commendation from the critics.

His latest appearance is in "The Man Without a Conscience," the Warner "Classic of the Sreen," playing next Monday at the State theatre. After the deft subtle characterizations Mr. Louis here plays a super villain shorn of the conventional attributes of the stage villain.

He is supported by Irene Rich, June Marlowe, John Patrick, Helen Dunbar and Robert Agnew.

CARNIVAL AND RACING IN "SCARLET SAINT"

"The Scarlet Saint," an adaptation of Gerald Beaumont's story, "The Lady Who Played Fidele," is to be the feature attraction next Tuesday at the State theatre.

Based on a highly dramatic plot and theme, the picture is said to be a most ideal vehicle for the co-featuring players, Lloyd Hughes and Mary Astor.

The picture, uniquely treated, aside from being highly romantic and dramatic, carries a series of thrilling incidents which occur during the colorful Mardi Gras carnival and at the races that feature the yearly festival in New Orleans.

Supporting Lloyd Hughes and Mary Astor is an exceptionally well-balanced cast including Frank Morgan, Jed Prouty, Antrim Short, Lorna Duveen, George Neville and Jack Raymond.

SOCIOLOGICAL QUESTION WORKED OUT IN "JOANNA"

A question of sociology, long a subject of deep inquiry among studious minds, comes next week to the screen of the State theatre under the title of "Joanna," featuring Dorothy Mackaill and Jack Mulhall.

The question is whether a modern girl of sound moral outlook can overcome temptation if provided with the luxuries of wealth.

In the supporting cast are Paul Nicholson, George Fawcett, Lillian Langdon, John T. Murray, Edwards Davis, Bob Hart and two newcomers, Dolores del Rio and Rita Carewe, daughter of the producer.

C. N. Mortenson was called to Santa Rosa last Tuesday on business for the Shriners, of which order he is Mendocino and Lake county manager.
